ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There is 1 minute left in the vote.

□ 1233

Ms. BASS of California changed her vote from “aye” to “no.”

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. BRADY of Texas. Mr. Speaker, I rise today to make known that I was unable to cast a “yes” vote on Final Passage of H.R. 836, the Emergency Mortgage Relief Program Termination Act. I am in favor of this legislation and would like the RECORD to reflect my support.

AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN ENGROSSMENT OF H.R. 836, EMERGENCY MORTGAGE RELIEF PROGRAM TERMINATION ACT

Mr. HENSARLING. Mr. Speaker, I ask unanimous consent that in the engrossment of H.R. 836, the Clerk be authorized to correct section numbers, punctuation, and cross-references, and to make such other technical and conforming changes as may be necessary to accurately reflect the actions of the House.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

AMENDMENT PROCESS FOR CONSIDERATION OF H.R. 839, HAMP TERMINATION ACT OF 2011; AND H.R. 861, NSP TERMINATION ACT

(Mr. DREIER asked and was given permission to address the House for 1 minute.)

Mr. DREIER. Mr. Speaker, the Committee on Rules is scheduled to meet on Tuesday, March 15, at 3 p.m., to grant a rule, which may limit the amendment process for floor consideration of H.R. 839, the HAMP Termination Act of 2011, and H.R. 861, the NSP Termination Act.

Any Member wishing to offer an amendment to either bill must submit an electronic copy of the amendment and description via the committee's Web site. Members must also submit 30 hard copies of the amendment, one copy of a brief explanation of the amendment, and an amendment log-in form to the Rules Committee in room H-312, upstairs, of the Capitol by 10 a.m., Tuesday, March 15. Both electronic and hard copies must be received by the date and time specified. Members should draft their amendments to the text of the bills as ordered reported by the Committee on Financial Services, which are available on the Rules Committee Web site.

Members should use the Office of Legislative Counsel to ensure that their amendments are drafted in the most appropriate format. Members should also check with the Office of the Parliamentarian, the Committee on the Budget, and the Congressional Budget Office to be certain that their amendments comply with the rules of the House and the Congressional Budget Act.

If Members have any questions, please contact me or the Rules Committee staff.

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I yield to my friend, the majority leader, to inquire about the schedule for the week to come.

Mr. CANTOR. I thank the gentleman from Maryland, the Democratic whip, for yielding.

Mr. Speaker, on Monday, the House will meet at noon for morning-hour and 2 p.m. for legislative business. On Tuesday and Wednesday, the House will meet at 10 a.m. for morning-hour and noon for legislative business. On Thursday, the House will meet at 9 a.m. for legislative business.

The House will consider at least two bills under suspension of the rules on Monday, which will be announced by the close of business today. On Tuesday, we expect to consider a short-term continuing resolution to fund the government for another 3 weeks. On Wednesday, the House will consider one or possibly two more bills from the Financial Services Committee addressing mandatory spending: H.R. 839, the Home Affordable Modification Program Termination Act; and H.R. 861, the Neighborhood Stabilization Program Termination Act. Finally, Mr. Speaker, on Thursday, the House will consider a concurrent resolution sponsored by Mr. KUCINICH related to the War Powers Resolution.

Mr. HOYER. I thank the gentleman for that information.

He mentioned the CR, the continuing resolution, the continuing authorization to operate government, which I understand will be for a 3-week period.

Can the gentleman tell us what will be in that continuing resolution at this point in time?

Mr. CANTOR. As the gentleman knows, our majority is committed to the process of providing a 3-day notice for all Members, as well as their constituents, to see what we will be voting on. The Appropriations Committee is busy preparing the text of that, and it will be presented online this afternoon. The details will be in that online version this afternoon.

Mr. HOYER. I thank the gentleman for his comments.

Now, it's my understanding we are not scheduled, according to his announcement, to meet next Friday.

Is that accurate?

Mr. CANTOR. Yes. I would say to the gentleman that is correct.

Mr. HOYER. And I take it the gentleman is reasonably certain, obviously we don't know what the other body will do, but in light of the fact that that CR will be offered next Tuesday, the gentleman's presumption is that, in fact, we will be out sometime on Thursday.

Mr. CANTOR. Well, I would say to the gentleman, we certainly look forward to the Senate acting expeditiously and acting quickly on the House's 3-week extension. Assuming that goes as well, the gentleman is correct in assuming that we will not be in session next Friday.

Mr. HOYER. I thank the gentleman.

The gentleman and I have had this discussion, and I think we both agree that continuing to fund government on either a 2-week or 3-week cycle is not what we ought to be doing. Furthermore, Mr. Speaker, a number of economists have indicated that if, in fact, we
